

Lady Rebel BasketballMandatory Tutoring Log

The coaching staff will check grades weekly. If a basketball player has below an 80 in a class, that athlete will be responsible for attending a minimum of one hour of tutoring in that particular class during the following week. The athlete is also responsible for bringing the filled out tutoring form and turning it into her coach. If an athlete has below an 80 in two or more classes, then they will be responsible to fulfill one hour of tutoring in each class they are failing. The tutoring form **MUST** be turned in to the individual's coach. Tardies, absences and conduct will also be monitored weekly. If a basketball player is ineligible for two consecutive UIL grading periods, they can be suspended from the program. Please fill out the portion below and return this sheet to your team's coach.
