ROUNDBALL ROUNDUP

Vol. XXXIX

No. 2

November 4, 2015

PRESIDENT'S MESSAGE

Dear Coaches,

It has finally arrived after months and months of preparation, hours and hours spent in gyms, and weight rooms. It is finally time that we get to get back in the gym and start competing. We all have been waiting for this time, whether our season ended with a heart breaking loss or you were one of the "lucky few" who can say that you are "State Champion," we are all anxious and excited for the season to start. I realize for some that the excitement may quickly fade, because after that first playing date, half of us will have lost. I hope that each of you will not gauge your success by the wins and losses. Keep that excitement throughout the entire year, whether you are crowned State Champion, or you are that team that struggles. You are the only positive thing that a lot of these kids have in their lives, and this game is what keeps many of them going. I know that there are many different "hats" that you wear from coach, dad, teacher, bus driver, trainer, administrator, and counselor. It is a daunting task to stay motivated because the season seems to be long and hard, remember how lucky we are, we get to participate in the greatest game in the world, we have the ability to make huge impacts on young people. Go out there and enjoy your season, and make some memories. Continued prayers for all.

God Bless, **Leland Bearden, Seminole High School - TABC President**

TEX PREPS BASKETBALL PRE-ORDERS ACCEPTED

Tex Preps Basketball magazine, in partnership with Dave Campbell's Texas Football magazine, will be available by mid-November and sold across the state at all retail stores that typically carry the football magazine during the summer.

But if you want to secure your order, just go to www.texprepsbasketball.com and order through PayPal. We will be shipping magazines immediately to those who pre-order as soon as the magazine is printed.

Tex Preps Basketball, in its 11th years, is honored to partner with the iconic Texas Football in what will be Dave Campbell Presents Texas Basketball. We will be including the same full high school coverage that you are familiar with in Tex Preps Basketball as well as extensive Texas college coverage all wrapped up in a 280-page magazine.

COACHES DIRECTORY

All current TABC members should have received the first edition of the Varsity coaches directory. It will include contact information for all high school varsity boys and girls head coaches whose memberships were renewed by the date it was compiled. If you missed the October edition, you will be included in the December edition and the most inclusive will be sent in March in time for you to work on filling out your schedules for next year after realignment in February.

Some members have asked why we don't include all current members in the directory. As it is the directory is difficult to email and some schools email server won't accept large emails. A larger document would make delivery even more difficult to send and receive. The objective is to give each member coach contact for as many schools as possible. The TABC directory gives email, cell phone and school phone information so you can write talk or text coaches at most Texas schools.

If at any time you need contact information that is not contained in the directory, call the TABC office and we can put you in touch with an assistant or look up a number from past years as most coaches keep the same cell number even when they change schools.

PRESEASON RANKINGS AND PLAYOFF PICKS

Hopefully, you have already seen the TABC pre season top 25 in each UIL classification and large and small private schools. If not go to www.tabchoops.org and click on rankings. They were posted the first week in October. This week we will post the playoff favorites for all of the UIL districts. Like the top 25 they are a compilation of opinions sent in by coaches (district picks forms or emails), media, scouting services, publications and other basketball junkies who keep up with high school hoops in the state of Texas.

The purpose of both are to get everyone excited about basketball season. The first games are days away and tournaments across the state will give everyone a chance to see many teams of all classes as they all begin their quests to accomplish their 2015-16 team goals.

The rankings will begin to be shuffled weekly starting on Monday November 16 with girls only and both boys and girls will be rearranged starting November 23 until the end of the regular season. We will then see how accurate the polls were as the playoffs begin and each team can prove us right or wrong.

We need as much input as possible in order to shuffle the rankings each week and all are encouraged to participate. Just send us an email by Sunday afternoon with the team's new record and significant wins or losses during that week. Our polls will not ever be perfect but we want to be as accurate as possible.

MEMBERSHIP CARDS 2015

If you are a current active or retired TABC member for the 2015-16 year, you should have received your purple membership card by mail. They were sent in alphabetical order beginning in mid September and we were through the alphabet by the first week in October. All others were mailed out the day their dues were received. Please contact the TABC office if it has been a week since you sent in your membership forms and dues if you have not yet received your card. Also, let us know if your address has changed. In either case we will get you a replacement card.

The TABC card will admit you to most high school and college games, but it is up to the individual school district to honor the card or not. Please let us know when your card is not honored so we can contact that district to see what the problem is and if it can be corrected.

Most colleges will give TABC members free admittance but you need to call the basketball office the day before the game to get on the pass list at will call. They will then admit you when you show your card and picture ID.

Make sure you print your name on the card in ink and show a picture ID when asked. Most schools will also admit a family member (son, daughter, wife) along with the member coach but are asked not to admit groups of coaches. Each coach should have their own membership card when a group of coaches are scouting an opponent together.

On the Inside...

- Hoops for Hope
- TABC Camp Dates
- Top TABC schools
- State Tourney Schedule
- Chalk Talk
- People, Places & Things

PEOPLE, PLACES & THINGS

In the Claude HS girls basketball program it is truly a family affair. Returning for the Lady Mustangs is All Region selection Jenna Cooper, daughter of head coach **Jason Cooper**. They also have two sets of twins, two sets of sisters and four cousins. Add to that Coach Cooper's other daughter and his niece and the girls from Claude have a special bond besides hoops. They were 25-10 Area finalists last year.

The Ponder boys broke the state and national records for made three point field goals with 388 last season. Hardin-Jefferson and Mumford were tied for the old state mark with 371 and Alexandria Juanita Valley held the old national record with 382. Ponder's team leaders were Chase Harris, who was the leader in class 3A with 124 and teammate Brady Anderson was close behind with 114. Both are returning for the Lions of Coach **Jude Stanley**.

Terry Spradlin, a former TABC member and coach at Boyd and Irving passed away in late October. A memorial service was held on October 3 for Coach Spradlin at the Colleyville Baptist Church.

Dennis Kaman, father of Fredericksburg boys head coach **Tim Kaman**, passed away on October 8. Dennis coached for 46 years, 40 as a head coach and had over 500 career wins. He retired in 2007. Coach Kaman was 75 years old.

In the 2015 girls state tournament finals in class 1A Nazareth defeated Lipan in the championship game. It was The Swiftettes 20th state title. Prepare yourself for a rematch as Naz (34-2) returns 4 starters and 10 letter winners from their state champion and Lipan (33-4) will also bring back 4 starters and 9 key players from the runner up. Combined the two teams graduated 3 girls that accounted for only 17 of the 212 total points the two teams scored in San Antonio.

The Whitharral girls made their 28th consecutive playoff appearance in 2015 and with 3 starters and 8 letter winners returning Coach **Aaron Marks** hopes to improve on last years 22-12 regional quarterfinalist season and make 2016 number 29.

Pollock Central's girls won their first playoff game in 22 years last season. Coach **Tony Brown** doesn't plan to wait another 22 years. Central was 24-10 last year advancing to the regional quarterfinals.

Last year Wichita Falls Rider's boys advanced deeper in the playoffs than anytime in school history. **Cliff McGuire's** squad was a regional quarterfinalist and returns an all state player, among 7 lettermen, to take the reigning district champs (27-6, 14-0) even further in 2016.

Jaylonn Walker of Calvert's girls has averaged over 30 points per game for the past two years. Coach **James Shelton** brings back Jaylonn and enough help for the Lady Trojans to be ranked # 13 in the TABC pre season coach's poll in class 1A.

The Birdville girls of Coach **Amy Ingram** recorded their first playoff victory in school history. Birdville is picked to make the playoffs again this year and start a playoff win streak.

The Union Grove boys of Coach **Dee Lewis** won their first district title in 54 years. They are in the running to make it two in a row fighting it out with Ore City in district 16-2A.

Wharton boys coach **Matt Brown** will combine three of the most successful groups in Wharton Tiger basketball history to try to improve on last years 30-7 regional finalists. The returning varsity players including 3 starters have been to two regional tournaments, the JV team was a district champion and the sophomore class has been undefeated for three consecutive years. Matt is the son of TABC past president **Larry Brown**.

Crosbyton coach **Todd Bass'** team won 1 district game two years ago and were 6-13 on the year. Last year they improved to 16-16 and were 10-2 district champs and advanced to the regional tournament. The Chiefs have enough firepower to continue the upward trend and should fight it out with Whitharral for the top seed in district 5-1A.

Round Rock Westwood was a 26-9 district runner-up last year after going 2-12 in district the year before. Coach **Doug Davalos** returns a mix of seasoned veterans to combine with players from a 26-1 JV team and a 24-2 freshman squad to make the Lady Warriors the district favorite and a top 25 team in class 6A.

San Elizario's boys won their first district title in over 20 years last year and won their first playoff game since 2001. Coach **Mauricio Perez** welcomes back four starters to keep up the success as the Eagles are the favorites in district 3-4A.

Paris boys team was 35-1 last year losing to the regional champion and 2 time defending state champ Madison by 5 in the regional semifinal. The Wildcats of Coach **Billy Mack Steed** return 4 of their top 6 players and start the year at #7 in the TABC top 25 coach's poll of class 4A.

Nicholas Claiborne begins his first season as a head boys coach at Atlanta after serving as an assistant coach at Corsicana. Nick played for his Dad, **Earl Claiborne** in high school at Tenaha where they teamed up for the class AI state championship in 2003. Dad now is the head coach at Waller in the Houston area while Nicholas takes over a Jackrabbit team that was 3-17 and 0-10 in district.

The Silsbee boys of coach **Joe Sigler** have reached at least the area round of the playoffs for 12 consecutive years. Last year's regional finalists will be favored to make it 13 in a row as 4 starters and most of the rest of the roster return from that 30-6 team.

Last year the girls at Plano West and Flower Mound fought it out for the district 6-6A championship with **Kristen Perry's** Plano West (30-5) squad emerging as district champs winning both meetings between the two. They met again in the regional final and this time **Sherika Nelson's** Flower Mound team (28-8) earned the trip to the final four. Both return 3 starters and a good supporting cast and are ranked in the top 5 in the pre season rankings with Flower Mound at #2 and Plano West #5.

Last year was supposed to be a rebuilding year for coach **Barry Boren** and his young team with only one senior on the roster for the second year in a row. But the youngsters used the experience gained the year before when the varsity was loaded with sophomores to win their first 32 games before losing in the area round of the playoffs. The Panthers return 9 of the top 10 players and start the year in the top 25.

PEOPLE, PLACES & THINGS

(CONTINUED FROM PAGE 2)

After finishing third in district 28-4A the boys team from LaMarque caught fire in the playoffs. The Cougars of Coach **David Montano** won by double digits in their first four playoff games before upsetting state ranked Wharton in the regional final 62-58. LaMarque (28-10) had no seniors on their roster so they hope to pick up where they left off as they start the year as the region IV favorite and #3 in the state preseason poll.

The West Oso boys of Coach **Karl Turk** won the 40th district championship in school history. With four returnees from that 25-9 team they are favored to win # 41.

Coach **Kim Nichols** of the Coahoma boys will begin his 40th year in coaching this season. All forty have been at Coahoma with the past thirty as head coach. Last year he won his 500th career game.

Last year the Water Valley boys were 26-4 and 14-0 in district 14-1A. They have now won 57 consecutive district games. Coach **Mickey Baker** brings back four starters to continue the streak.

In boys district 6-2A Anthony was the district champion(12-8, 9-0) after going 3-19, 1-11 the previous year. Under first year coach **Lali Maldonado** the Wildcats boys basketball team was the first Anthony team in 25 years to win a district title in any sport. Congratulations Anthony boys.

The girls team from Port Lavaca Calhoun got their first playoff win since 1986. Under new coach **John Reyes** the Lady Sandcrabs were 22-11, 9-1 district 24-5A champs and bi-district champs. They return 3 starters and 6 letter winners to defend that title and move on further in the playoffs.

Welch Dawson's boys made the playoffs for the first time since 2002 with a third place finish in district 11-1A. Coach **Todd Wall** returns 8 players who logged playing time to make it two in a row in their tough class 1A district where 4 of the 6 teams had winning records last year.

Billy McKown passed away peacefully at his home in Abbott on March 17, 2015. A graduate of Hillsboro HS and TCU, he earned his masters degree in school administration from Baylor University. Billy spent 30 years in education the last 27 in Abbott as teacher, principal and superintendent while coaching girls basketball and volleyball. His teams each won 21 district championships and his 1978 and 1979 volleyball teams were state champions, the only state champs in Abbott HS sports history. He also served as Executive Director of TGCA, an association which he helped organize in 1953, for 46 years. He is survived by his wife of 55 years, Margaret and their son Darrell, his wife Tiffany and their 3 children.

Coach Billy McKown

UIL districts 25-6A, 6-4A and Big 12 are the first to have 100% of the men's and women's head coaches as current TABC members. Go to www.tabchoops.org and click on membership list by classification in the rotating menu. Check your district to see who is missing and give them a reminder. We will see which districts are next.

Wayne Roberts retired effective this past May after 33 years as a head coach at Lamesa and Glen Rose. He had 715 career wins and took three teams to the state tournament in addition to serving TABC for many years wherever needed.

Mumford will field a varsity girls basketball team after a two year absence. **Josh Smith** will coach all the girls teams. He previously coached the middle school squads. Welcome back to 26-2A Lady Mustangs.

UIL UPDATE 2015

At the recent October UIL Legislative Council meetings in Austin one item could affect basketball scheduling as early as the 2016-17 season. The Council approved adjusting the season in basketball and soccer to allow school administrators to determine by region whether or not to conduct regional tournaments in those sports. If approved by the Commissioner of Education it could require adjusting the playoff schedule to accommodate one more playoff date. If the Commissioner approves the change the UIL will release more specific information on how it will affect schedules for next year. We should know the details by the time realignment information is released in February so you can complete your schedules. If approved it will also affect volleyball but not until the 2017-18 season.

Also note that the Cheerleading State Championships will be held for the first time under the UIL umbrella on January 13-16, 2016. If you have basketball players that are also cheerleaders you need to begin making plans to least impact your practices and games during that important stretch of district play. If players are involved in both activities you may want to move your games that week to Monday and / or Saturday and adjust your practice schedule to minimize their absence. In classes 1A through 4A where conflict could be the greatest, Cheerleading prelims and finals have been limited to only one day of competition. Teams that don't make the finals will only be competing for half of a day.

Work with your Cheerleader sponsor and parents to make adjustments now so the situation can be handled as smoothly as possible. Each of you are good coaches because of your ability to make adjustments during games and practices when players are ill, injured, have family emergencies or are simply in foul trouble. Those situations come up suddenly every season and every game. With over two months to make plans and adjustments you have no choice but to begin planning as soon as possible.

TABC and TGCA have been monitoring this situation for over a year and realize the problems it can create for some of you. We also have confidence that you can make the most of it. Those who do will come through that week with minimal hardship. We have no other choice. The UIL activities calendar has so many overlapping options that are good for students that conflicts are bound to occur. We will survive and in fact thrive as we continue to teach our players that life is about how we react to obstacles. Making adjustments is a valuable part of maturing into responsible adults. Use this as a part of that process.

MAKE PLANS NOW TO ATTEND THE TABC CLINIC ON MAY 19, 20, 21, 2016 IN SAN ANTONIO. THE FIRST SPEAKERS WILL BE ANNOUNCED IN THE NEXT NEWSLETTER. PLAN NOW AND STAY TUNED AS THE SCHEDULE TAKES SHAPE.

TABC Chalk Talk

CORNER BALL HANDLING

By Heather Hohertz (Coach Hohertz in the head girls' basketball coach at Brownwood High School).

Fundamentals at the Middle School Level are very important. Every day we do a ball handling drill. One of our favorites combines all moves into one drill. We do each side twice, so the players can get the same amount of work with their right and left hand.

MIDDLE SCHOOL CORNER PARENT COMMUNICATION

By Darrell Hagemann

Communication with parents is a very important aspect of any program. We have a meeting every year before the season starts. We strongly encourage our parents to be involved. We use the wording "appropriately involved". All parents want what is best for their child.....all don't necessarily want what is best for the program. We use the Ten Principles for Basketball Parents as our guide. We always emphasize that basketball is the smallest team sport on campus and that our program makes up about 1% of our student population.

TEN PRINCIPLES FOR BASKETBALL PARENTS

1. Be positive with your child; let them know they are successful simply because they are part of the **TEAM**.
2. Encourage your child to work hard and smart and to do their best in everything.
3. Insist on good grades---even during the off-season.
4. Insist on your child's respect for **TEAM** rules, school rules, game officials, and sportsmanship. As a fan, you are entitled to scream your head off, but please don't be belligerent toward other players, coaches, or officials.
5. Be understanding of the coach's decisions. The coaches work with the players for many hours, and they know what each player can be successful doing. Also, they know how the player fits into the overall **TEAM** concept. (*"The whole is greater than the sum of its parts."* -John Wooden)
6. Be supportive of the coaching staff. If you have questions or concerns, please talk to the coaches, and avoid belittling the coach in front of your child.
7. Be careful not to show animosity or jealousy toward any of your child's teammates. This type of envy can rub off on your child and devastate a **TEAM**. The important thing is that everyone performs their role to the fullest, not who scores the most points.
8. Encourage your child to follow the established **TEAM** guidelines. Basketball is a very demanding sport and coaches must concern themselves with each player's off the court activities in order to maximum physical and mental performance out of their players.
9. Remember the **TEAM** should be our number one concern. Parents often see things through the eyes of one person, whereas coaches are concerned about the overall **TEAM**.
10. Encourage you child to play for the love of the game, not for a scholarship or something that is in the hands of the college recruiters.

PRIVATE SCHOOL'S IMPORTANT DATES FOR 2015-16

TAPPS

SPC

November 2 - First day for games
February 26 - Area games
February 27 - Regional games
March 3,4,5 - Final Four

SPC state tournament Feb 11,12,13

TEXAS BASKETBALL MUSEUM

The Texas Basketball Museum, home of the Texas High School Basketball Hall of Fame, is currently in its seventh year of operation. Coaches are encouraged to bring their teams by during the season. Just call Bob Springer at 713-898-7667 to set up a time. Bob lives near the museum in Carmine, which is located on Hwy. 290, halfway between Austin and Houston. He will open up the museum anytime, day or night for basketball teams to visit. With the recent completion of the Slater Martin addition, the museum is now 1,450 square feet. The latest memorabilia that has been purchased or donated is now on display. For more information on the museum or Bob's magazine, visit: www.texasbasketball.com

HOOPS FOR HOPE - *Texas Style*

It is not too soon to begin planning your Hoops for Hope activities for this season. Since the name change made four years ago, for the TABC emphasis on charitable activities, the umbrella that formerly encouraged fundraising for cancer related charities has been opened up to include all diseases or disasters. The money raised can go to a national, state or local organization or individual. Examples include "Coaches vs. Cancer", "The V Foundation", "Pinkout", "Charity Stripe", "National Multiple Sclerosis Society", "Cystinosis Research Network", or any others of your choosing. Many schools donate directly to a local student or teacher that has been beset with hardship or illness.

Here is a quick review of how the program works:

- 1) Select a charity or individual.
- 2) Organize a fundraiser. It can revolve around a game, tournament, or be before, during or after the season.
- 3) Send the money raised to your selected organization or individual.
- 4) Report the amount of money you donated to the TABC office, so we can keep a running total.

If you have pictures from your activity, please send them to us. Also, include any new ideas that your team used to raise the donated funds.

The idea is to teach our players charity and help them realize the joy of helping others. It will also let your school and community know that coaches care about more than wins and losses.

MEMBERSHIP DUES LATE FEE

In an effort to get TABC members to register earlier so they can enjoy all the benefits of being a member of the association, individual membership dues have increased from \$30 to \$40 beginning on October 15. We appreciate all who signed up early and hope you form a habit of doing so each year. It is not too late to join, but individuals who sign up after that date will pay the \$10 late fee. Similarly, there is a late fee for registration to the TABC clinic after May 1 of each year. On site registration will always be available but it is \$10 less expensive if you pre register. The difference this year will be that all clinic registrations received after May 1 will be mailed back to the individual or school and reimbursement will be between the coach and the school. Please turn in your requests early to avoid that happening.

2016 STATE BASKETBALL TOURNAMENT

For the second year the state basketball tournaments will be held in the Alamodome in San Antonio. The girls tournament will be March 3, 4, 5 and the boys will be March 10, 11, 12. The three day schedule will be identical to last year's format and is printed below. Reserve your rooms and get tickets now.

2016 UIL BASKETBALL STATE TOURNAMENT SCHEDULE

THURSDAY

Session 1

8:30 am Semi-final Conference 1A
 10:00 am Semi-final Conference 1A

Session 2

1:30 pm Semi-final Conference 3A

TABC CAMP OF CHAMPS - STILL #1

It is not too soon to start marking your calendar for next summer's camp dates. We had 2 camps fill up last summer and two others that were close to full. Don't get left out because you planned too late. Look over the camp dates below and pass them on to your parents so they can plan the family's summer around camp. Brochures will be available in December or go to www.tabccampofchamps.com for more information.

2016 DATES

June 9-11	Girls HS team camp (T,F,S)	June 15-17	Boys Fundamental camp (W,T,F)
June 12-14	Girls 14 & under team camp (S,M,T)	June 18-20	Boys HS team camp (S,S,M)
June 15-17	Girls Fundamental camp (W,T,F)	June 21-23	Boys 14 & under team camp (T,W,T)

TOP TABC SCHOOLS AND 100% DISTRICTS

Look through the list below to see if your UIL or private school district or college conference is 100%. If not, go to www.tabchoops.org and look at the list to see who is missing. A reminder to those who are absent will be appreciated by them and by TABC.

Even if you are a current member, check to see if your loyal assistants, graduate assistants and middle school coaches have signed up. It will be important when you nominate some of them for TABC awards after the season. It will also be a huge factor in helping us maintain our status as the largest state basketball association.

100% DISTRICTS & CONFERENCES:

BOYS

6A - 2, 3, 4, 6, 7, 8, 17, 19, 25, 27
 5A - 5, 8, 9, 17, 19, 21, 25
 4A - 6, 14, 18, 20, 23, 25, 26
 3A - 1, 7, 8, 28
 2A - 3
 1A - None

GIRLS
