ASHLEY BASKETBALL CAMP 2014

The focus of our camp will be two part: First, we will work hard to help campers improve on basketball fundamentals (dribbling, passing, shooting, defensive concepts, etc.). We are extremely passionate about the game of basketball and look forward to helping all campers improve while having fun. Second, the focus will go beyond the game of basketball. We want to guide student-athletes to become successful in their academics as well as athletics, with the goal of enhancing their leadership. On the final day of camp lunch will be provided to campers courtesy of Moe's Southwest Grill. During this time, we will be going over the importance of education and talking with campers about our core values: integrity, work ethic, toughness, and communication. We believe these core values = character growth and our mission is to help each camper connect what is truly important about the game of basketball. We look forward to having a great three days of camp. Please do not hesitate to contact me by email with any questions.

Best Wishes
