

HANOVER CENTRAL ATHLETIC DEPARTMENT

Kevin Bachinski, Athletic Director

Jo Ann Heldt, Assistant to the AD

Dear Wildcat Supporters,

The Hanover Central Athletic Department greatly appreciates your commitment to our programs. We would like to present your company/organization with the opportunity to sponsor our athletic department and display your advertising at our Hanover Central High School athletic facilities which would include our football/track complex, new soccer field, our baseball and softball fields, tennis complex, and our West Gymnasium. This opportunity will be for the entire 2016-17 athletic season and school year. This sponsorship will provide your company/organization with exposure too many members of our community and others at home events held during the school year.

The Hanover Central Athletic Department is looking forward to establishing mutually beneficial relationships with businesses and families in our community. We know that by doing this, we can provide the best experiences possible for our student-athletes and your children.

Here are just a few highlights from this past fall and winter athletic seasons!

- Our high school athletic teams had a winning percentage of over 56% for the 2015-16 fall and winter athletic seasons.
- We won 3 high school conference championships in the Greater South Shore Conference.
- We won 5 middle school conference championships in the Jr. Greater South Shore Conference.
- We had numerous student-athletes make all-conference and academic all-conference.
- Our student-athletes carried an overall GPA of 3.35 during the fall season and an overall GPA of 3.18 for the winter season.

I hope that you will choose to help sponsor our athletic teams and athletes. They work extremely hard and deserve all the support that the community and school can give them.

Go Wildcats!

Sincerely,

Kevin Bachinski
Athletic Director
Hanover Central High School
