SUMMER CAMPS

Hanover Central Athletics is committed to providing quality athletic programs to

enhance the educational opportunities offered in the Hanover Community School Corporation. Each camp will provide your child with the opportunity to learn the proper fundamentals, develop skills and most importantly, have fun, each day of camp. All campers will receive a camp tshirt, and have the opportunity to win prizes. Camps are structured so that studentathletes learn the proper techniques and skills in an age appropriate manner. All camps will be held at Hanover Central High School or Middle School. If you have particular questions about each camp listed, please email the head coach as they can provide you with more details on the structure and skills that will be taught at each camp. The Hanover Central Athletic Department hopes your child enjoys their experience and learns lifelong skills that go beyond the playing field.
