President Report: The clubs legal binder needs to be updated with our most updated By Laws. We need to add a sheet that states meeting minutes are available online. We need to add our yearly tax paperwork. After this year, Brian will be stepping down as president and will assume the role of Athletic Director position and a general voting member. A discussion was held if he should step down as the CEO (the business side of the club) as well, or just president. After much discussion we unanimously agreed for him to stay as the CEO.

The other position that holds both a club/board position is the Treasurer/CFO. The CFO position runs the managerial part of the finance, and the Treasurer runs the day-to-day financial operations. Felix to think about if he would like to split the 2 positions or keep it as 1.

Members need to be notified in April that we will have open elections if anyone is interested in running for any position.

Vice-President Report:

Wrestling submitted a request for senior night sweaters not to exceed \$300. They still have fireworks revenue and the total quote came out to \$293.88. Request voted on, no nays request approved.

Boys soccer provided receipts for the hotel rooms from receipts for the hotel rooms from their Clovis tournament totaling \$1,276. They had to get a 6th room at the last minute. Coach Gabe contacted Brian and was advised to place the 6th room on his own card and then the EAABC could reimburse him. EAABC pre authorized 5 rooms and were charged \$1066 a difference of \$210. Brian advised him to contact the hotel and start the process for a refund. Will follow up with him to see where he is in the process.

Treasurer Report: We are in the green still. Felix will work on updating the spreadsheet.

Secretary Report: Scholarship season is upon us. Sabrina will update the application.
