

Basha Girls Basketball

2022-2023 Season

Dear Friend of Basha Girls Basketball,

We need your help this season more than ever! We know that this last year has been a difficult one for everyone. We understand the struggles that businesses have had, however the Basha Girls Basketball team would appreciate any support that you can provide. Through your sponsorship, we are hoping to help provide you with increased business flow by promoting your business as we advertise you as a special partner in Basha Girls Basketball.

The Basha Girls Basketball Booster Club is funded primarily by parents, community businesses and general sponsors, just like you. Contributions to our Booster Club are fully tax deductible and every donation is put to use.

The Lady Bears are a very young team and with your donations, it will help provide them with a solid foundation so they can build their skills on and off the court. By donating to the girls program, you are helping each student athlete develop into successful, strong women, who will in turn become role models to others at their school and within our community. Your donations will support the entire program as we continue to build for our next group of young student athletes.

Your support for Basha Girls Basketball helps provide the funds needed to provide away meals, team equipment, shooting shirts, tournaments, banquets, team bonding activities and so much more.

We encourage you to sponsor our Basha Girls Basketball Team this season and be a part of something special. The attached form is a guideline for possible donation options. If you do not see a specific opportunity that works for you or your business, please feel free to reach out and we can work on a donation game plan together.

To learn more or have your donation picked up directly, please contact: Marisa Gallardo @ (480) 433-1941, email: BGBbooster@gmail.com.

We appreciate you and thank you in advance for your support!

Gratefully,

Chiniqua Bright - Basha High Varsity Girls Basketball Coach
