(This donation is tax deductible) Please return to THS office or a Booster Club Board Member.

Taylorville Tornado Sports Boosters (TTSB) is a volunteer, non-profit organization formed to assist Taylorville High School athletic programs.

It is our goal to assist the programs in promoting a positive image of Taylorville Community Unit School District #3. Funds raised purchase equipment and uniforms to help athletes remain current and competitive. Many volunteers are required to accomplish this goal and that's where your support is needed!
