

Wilkes Central Families and Corporate Sponsors,

We would like to thank each of you, individually and corporately, for your support of the Wilkes Central Athletic Booster Club during the 2016-2017 season. WCHS had another successful year of athletics accomplishing many individual and teams goals. One major accomplishment was the victory of our Eagle Golf Team as the two time 2A State Championship under the leadership of Coach Brooks. Also, the athletes of WCHS successfully brought the Wells Fargo cup back to the nest.

Wilkes Central has had a long successful history of interscholastic competition. We strive to continue the success of WCHS athletic programs. We feel this success is a direct result of the quality and maintenance of the facilities and equipment, commitment from the players and coaches, and the overall support from everyone involved with Wilkes Central, past and present. Your contribution to the WCHS Athletic Boosters is to assist and support the overall well-being of the WCHS Athletic Department. The Athletic Booster Club supports **all** WCHS athletic teams.

In today's economic reality and continued budget cuts, school administrators look to Booster Clubs and other support groups to provide financial support for many school activities and improvements. The role of the Athletic Booster Club is to provide this financial support to the WCHS Athletic Department through fund raising efforts, membership fees, banner sales, donations, etc. Your membership is also a potential savings for your family. If your student plays more than one sport (i.e. football and baseball), parents pay \$120 in gate admission and that's without going to any other sporting event. Your WCHS Athletic Booster Club pass gets you into all regular season athletic events. Your corporate sponsorship also allows your business to promote your business to a captured audience both outdoors and indoors with a personalized banner that includes your logo and contact information.

The success of the Booster Club is dependent upon the active support of its members. We encourage everyone to join in the excitement of Wilkes Central sports. Please return the attached document to become an individual/family member or a business sponsor.

The WCHS Athletic Booster Club meets on the First Monday of every month at 6:00 pm in the WCHS Commons Area and is open to all Booster Club members. We need your participation. Please indicate on the attached if you are interested in becoming an active participant in the Booster Club.

Thanks to you, we look forward to a successful 2016-2017 school year.
