The Benbrook Athletic Booster Club (BABC) is a non-profit organization whose mission is to promote positive athletic programs, increase community support, recognize the achievements of the team as well as the individual athlete, and is dedicated to the continued support of our athletes and coaching staff. We strive to support athletic and academic excellence, create a winning school spirit, promote team unity, and maintain the history and tradition of excellence for all student-athletes at BMHS. Involvement consists of both volunteers and the financial support required to foster the development of our student- athletes and to enhance all BMHS' athletic programs.
