Crab Feed Review - Abby

10K – net proceeds

Per survey – best thing about the event, company, crab, students, program. Next time – better PA system. Overall successful event.

Strength and Conditioning - Bob/Jen/Liz

Female coach found for strength & conditioning. Paperwork forthcoming. One day a week after spring break. Looking to get Rob to do a day as Jessica can only do one evening a week. The spot directly after school is most ideal for students. Start date of April 10th. Trying for twice a week.
