

Campolindo High School Athletic Boosters

CAMPO ATHLETIC BOOSTERS BOARD MISSION & VALUES

Campo Athletic Boosters Mission

The Campo Athletic Boosters mission is to promote equity, sportsmanship and a healthy culture of competition throughout the Campolindo High School Athletic Program. To advance this mission, we:

- *Support ALL* Campo athletic athletes, teams and coaches
- *Operate in partnership* with parents, school admin and the broader community to promote Campo athletics
- *Raise funds* to support our program, teams, athletes and coaches
- *Promote values like sportsmanship, leadership and equity* in our athletic community

To accomplish this, we invest in shared facilities and equipment, live-stream broadcasting, athlete and coach training, stipends for athletic personnel and support the Campo Cares Program.

As Campo Athletic Boosters Board Members, we:

- ***Act in the best interest of Campo athletics and athletes*** - not in the interest of a *personal* team, goal or agenda
- ***Prioritize equity in our decisions and actions*** - in all forms including gender, racial, cultural, and team-size equity among others
- ***Hold ourselves accountable*** - to high standards for honesty, confidentiality and teamwork and take **responsibility** for the work we've committed to doing
- ***Treat each other with respect*** - valuing individual and cultural differences in an open and welcoming environment
- ***Make values-based decisions*** - in the context of our Mission and consistent with our By-Laws
- ***Proactively identify and promote*** opportunities to improve Campo's Athletic Program

- ***Come prepared to Board Meetings*** having considered Agenda items completed pre-work
