

TRIANGLE MATH & SCIENCE ACADEMY BOOSTER CLUB

Mission Statement

The mission of the Triangle Math & Science Academy Booster Club is to foster an environment that inspires student athletes, coaches, parents, and the community to collectively create a positive and spirited atmosphere for all TMSA athletic programs. We are volunteers who wish to serve and lead by example. We support through fundraising, stand behind strong moral character and good sportsmanship, promote a winning school spirit through athletics, and encourage attendance at all athletic events.

The Triangle Math & Science Academy Athletic Booster Club is a group of parents (current and former), with the help of school administrators, who seek to enrich the TMSA athletic community by providing financial support for our athletic programs. This is done by funding areas of need that are not fully covered by the school. We are dedicated to the continued support of our student-athletes and coaching staff. Our organization is being organized exclusively for charitable and educational purposes under section 501(c)(3) of the Internal Revenue Code.

In addition to financial support, our Athletics Booster Club recognizes that participation in high school athletics benefits everyone and promotes opportunities to build and strengthen relationships among all parties involved: The student body, coaches, teaching staff, parents, and the community. We strive to support athletic and academic excellence, create and maintain school spirit, promote team unity, and continue to cultivate and maintain a tradition of excellence for all student-athletes at Triangle Math & Science Academy.

Your participation in the Triangle Math & Science Academy Athletic Booster Club helps support this mission!
