General Information

Chattahoochee has a rich basketball tradition that has passed many players on to the college and professional levels. This tradition has produced a strong winning tradition including numerous state championship runs and a 6A state championship boys' team in 2019-2020. Unique to the Hooch championship way is most of our athletes have grown up through the Jr. Cougars basketball program.

Come be a part of this unique basketball experience at the Jr. Cougars basketball day camp. Campers will learn the **HOOCH WAY** as they experience much more than just another basketball camp.

In addition to the development of their basketball skills and athletic ability, all campers will be given the opportunity to build upon their own personal attitudes toward the game and life. They will learn about roles and responsibilities within the context of 'TEAM'.
