

5th and 6th camp

On behalf of Coach Brown, myself, and all of the Little Elm coaching staff we want to thank you for registering your son to come to our sports camp starting Monday, June the 7th.

If you miss a day that is not a problem. All athletes will participate in each sport regardless if they have played that sport before. We do this to give all the athletes a chance to try something new that they may have never tried before and may end up enjoying it.
