The Highland Park Baseball Summer Camps are for players who sincerely want to learn and improve while having fun with the game of baseball. A player's ability or level of knowledge is not important when he arrives at camp. Campers will be separated by grade and will be under close supervision. Our staff and ex-players will give each camper the knowledge that will help them become more successful in baseball and ensure the success our Highland Park program for years to come. We pride ourselves in teaching solid baseball fundamentals while having fun and competing.

**6<sup>th</sup>- incoming 9<sup>th</sup> graders:** 6<sup>th</sup>-9<sup>th</sup> (12:00 p.m. -2:30 p.m.)

My entire staff and I have the opportunity to use this camp for the older players as an evaluation and platform to coach the athletes to get them prepared for high school baseball. Each day will be like a showcase that players may have gone to before. It is a great way for us to help the players improve on fundamentals while getting a glimpse at what they need to work on as they get older. We also love to meet our next generation of baseball players face to face to start making a connection with players coming up the system.
