SCOTS SOCCER

INCOMING 6TH - 9TH GRADERS CAMP 2021

August 2nd - 5th | 9-11:30am | Indoor Facility
Cost: \$200

This camp is designed to teach the incoming middle school and high school soccer players our program expectations along with having fun. Coach Richie and his staff are excited about the opportunity to coach the next generation of Scots soccer players.

With new rules and regulations with COVID, we are making sure we take every precaution necessary to hold a safe and fun camp for your child. This is a 4 day camp for \$200.00. Early registration and payment available online. Walk-ups are welcome and daily rates are available, but you will have to pay in person and not online.

There will be a table and a coach there to have you fill out the registration form and payment information. We will take as many walk-ups as possible for a small late fee, but please do not think the camp is full.

Every camper, every day, will meet in the Multi-Purpose Activities Center for drop off and pick up.
Concession: Sports drinks and candy bars available, cash only.
