

STUNTING FORM

My daughter _____ has permission to attend building classes taught by certified instructors. She also has permission to build in cheers during football and basketball seasons with proper spotting and supervision. I understand the risks involved in this type of cheerleading and have discussed with my daughter the importance of paying attention and following the safety guidelines for building.

Parent

Date

I am aware of the dangers in cheerleading and will pay attention and follow the safety guideline established for cheerleading. Also I will never attempt a building stunt without a spotter and a cheerleader coach present.
