- Each athlete will be assigned a small round table for parents/guardians to decorate in their college colors and as they wish. Balloons, table covers, childhood pictures, sports memorabilia, and refreshments are all acceptable for the table.
- Family and athletes signing are all encouraged to wear their college apparel and can bring an item to display on the table when signing (for example, hat, pomp om, football, baseball, etc.)
- If there is more than one signer on the same day, we will go alphabetically by last name.
- While each student signs, family members and coaches are invited and encouraged to join them on the floor for a signing picture.
- Following the signing ceremony, the floor will be available for pictures with teammates, family, and friends.
