COMMUNITY

The Bentonville School District encompasses 142 square miles and includes a total student population of 19,000 for the 2023 school year. The district consists of a PRE-K and Primary School for 3&4 year olds, thirteen elementary schools, five middle schools, four junior high schools, two high schools, one alternative learning environment for high school students, a virtual school program, and a center for advanced professional studies.

SCHOOL

Bentonville High School is one of the largest high schools in Arkansas. With over 3,400 students in grades 9-12, BHS is a comprehensive high school that meets the needs and demands of students in preparing for their futures.

SCHEDULE

Two 18-week semesters are comprised of a maximum course load of seven credits and one advisory period. The academic program is organized on an A/B block schedule, with students taking four 90-minute classes each day.

Our Mission: BHS will provide rigorous and relevant academic experiences within a culture of effective and caring relationships.
