

Contestant Information Sheet and Participation Agreement

Name _____ Tryout # (TBA) _____

Middle School (check one): Courtway ☐ Stuart ☐ Simon ☐ Doyle ☐

Parent(s) Name(s): _____

Best Phone Number: _____

Emergency contact name and number other than above: _____

Are there any **current** medical conditions that the coaches should know about? For example: allergies, asthma, concussions, breaks/sprains, etc. _____

NOTICE!!!

8th Grade - Volleyball - Cheer/Dance Conflicts

Any girl who will be participating in both Volleyball and Cheer/Dance in 8th grade needs to understand that Volleyball games are played on Monday/Thursday and all Football games are played on Thursday. There will be days that when your volleyball team plays at home - you could/would have the chance to play the volleyball game and then get to the football game to cheer/dance - perform at half-time. On Thursday's when your volleyball games are out of town- you would not have that option - and would have to make a choice - and that would need to be discussed ahead of time with all coaches involved. There would be no conflict after volleyball season for any cheerleader/dancer - and you could be full participation.

8th Grade - Basketball - Cheer/Dance Conflicts

Any girl who is participating in both Basketball and Cheer/Dance in 8th grade needs to understand that you would play in your basketball game - and cheer only on game days that you did not have a game. (Girls and Boys usually play at the same time in different gyms)

Participation Agreement

Please know that if you make the cheer/dance team, it is not just a commitment during school hours; it also requires time outside of school. These out-of-school times will be mandatory, and no absence except another school activity or unforeseen emergency (such as illness or death in the family) will be excused.

If your child is involved in competitive cheer/dance, volleyball or basketball, he/she will not be excused from any school cheer practice or ballgames due to competitive events. If you feel this commitment will be a problem, please don't take a spot of someone who is willing to be committed to our school cheer/dance team.

The financial responsibility for required items will be approximately \$300.

I understand this commitment.
