

CONWAY BOWLING PHILOSOPHY

Our main goal in bowling is to be competitive with other schools in our conference. Bowling is an activity that is classified as a lifetime sport or hobby. It can be enjoyed for many years after leaving school.

- Tryouts for bowling occur just before Thanksgiving break and are open to grade 9 thru 12
- Each individual trying out is required to bowl 3 games. Total pins scored determine who make the team. The number of team members we keep depends upon the number of bowlers trying out. The minimum numbers of bowlers is 18.
- We have a varsity boys team comprised of 6 bowlers and a varsity girls team comprised of 6 bowlers. The remaining bowlers make up our junior varsity boys and girls teams.
- Our team practices one week at 5:00 at the Conway Family Bowl Center.
- The season consist of approximately 10 to 12 matches not counting Conference and State matches.
