

## LETTER TO COACHES AND ATHLETIC DIRECTORS TO SEND TO PARENTS:

As has been done in the past, providing Physicals in a mass setting is logistically challenging during this unprecedented time. The health and safety of our student athletes is a top priority for all partnering Providers. Because of this, Conway Regional has partnered with area providers to ensure student-athletes receive their annual sports physical in the Provider clinic setting.

**The area Medical Community is coming together to make available dedicated evening and weekend hours in July to ensure athletes receive their sports physical. While appointments are always available at these clinics during regular operating ours for medical needs including sports physicals, wellness visits, and other acute and well care needs, these specific days with expanded hours are to help ensure a convenient option for families and their student athletes.**

**Appointments are available on:**

**Thursday, July 16<sup>th</sup> from 5pm-8pm**

**Saturday, July 25<sup>th</sup> from 8am-Noon.**

In order to schedule your sports physical, please contact your primary care provider (PCP) or Pediatrician to schedule your sports physical. If you do not have a provider, the links below can help you identify, or schedule an appointment with a Partnering Provider.

- All Conway Regional credentialed providers can be found at the Conway Regional homepage under "Find a Provider": <https://www.conwayregional.org/>

If you use a Conway Regional or Dardanelle Regional Provider, please following the links below to schedule an appointment online or to view contact information for a clinic in your area. You may schedule the sports physical in the after-hours clinic or a primary care clinic:

- For Conway Regional patients (Conway, Russellville, Pottsville, Clinton, Greenbrier, Vilonia, Mayflower): <https://www.conwayregional.org/telemed#afterhours>
- For Dardanelle Regional patients:
