

MILPITAS HIGH SCHOOL ATHLETICS "FAIR SHARE" DONATION FORM
PLEASE READ THOROUGHLY!!

Dear Parents and Athletes:

Please help us to keep our athletic program going strong by donating your "Fair Share" to the Milpitas Athletics Program.

The Milpitas Unified School District DOES NOT FUND the MHS Athletic Program. We need your help in order to avoid cuts and to keep Milpitas Athletics strong!

If we do not receive enough Fair Share donations, athletics programs and services may be eliminated.

Milpitas High School Athletic Director and Coaches

****Your Fair Share donation may be tax-deductible.***

MHS Athletics Department "Fair Share" Donation Policies

1. Once the team's final roster has been set by the coach, **student-athletes are requested to make a \$100.00 (minimum) Fair Share donation to MHS Athletics.** The Fair Share donation can be submitted to the MHS school bank. (See opposite side) Fair Share donation should not be given directly to a coach.
2. **The MHS Athletic Fair Share Donation Form must be submitted within 1 week of making the official roster.**
4. **Whether a Fair Share donation is made or not, submitting the Fair Share form has no bearing on playing time. Additionally, choosing to make a Fair Share donation does not guarantee a given amount of playing time either per game or throughout the season.**
5. There are no refunds for Fair Share donations for students who quit, become academically ineligible for participation, or are dropped from the team as a result of disciplinary measures as the requested funds will have already been committed to the MHS Athletic budget. Refunds may be issued, if requested, in cases of injury that negate playing with the team prior to the start of the season.
6. If enough Fair Share funds are available, transportation may be provided for all weekday contests, except for scrimmages and tournament play. Parents will be asked to help transport students on some weekends, to all scrimmages, to all tournament play and in instances when a bus is not available. Spring sports are impacted more than any other season for busses.
