BUSINESS MEMBERSHIPS

Ridge View High School has solidified itself as one of the top athletics programs in all of South Carolina. In 30 years of existence, Blazer teams have won numerous state titles (10 since 2018), produced many college-level student-athletes and even several professional athletes. We invite you along on this journey with us as build an even stronger athletics program. **Are you a business that wants a more customized package? We are more than happy to craft a package that will fit your exact advertising needs.** Thank you for your consideration! Our athletics program would not be as successful as it has been in the past without the generous support of businesses like yours.
