There are 2 required fees for this season and 1 optional uniform fee.

- \$250 Participation Fee. Required for all athletes. Girls click [HERE](#) to pay. Boys click [HERE](#) to pay.
- \$250 Booster Fee. Required for all athletes. Both genders use the same link [HERE](#).
- The uniform is an additional \$50, so if you're purchasing a uniform choose the \$300 Booster Fee + Uniform option. We use the same uniform in cross-country and track and it's the same as last year's uniform, so only new athletes or those wanting another uniform need to select this option.
