### Semester Extension programs

- 🐾 Fall semesters do *not* have a semester extension program. Summer school credits are considered the previous semesters extension. A student can only earn two (2) Carnegie units (credits) during summer school to count towards credit repair/recovery from previous semesters.
- 🐾 Spring semester extension is fifteen (15) school days from the start of the second semester (GHSA BY-LAW 1.58). The student athlete is *ineligible* during this semester extension opportunity. If a student does not complete this credit recovery/make-up work, then they will remain *ineligible* until credits are made up.

Loss of eligibility (GHSA BY-LAW 1.56) – Items listed below are not an exhaustive list of an athlete losing eligibility...

- 🐾 Not acquiring a minimum of 2.5 credits per semester (2.0 or lower) – be mindful of senior reduction and/or dual enrollment requirements
- 🐾 Not attending school/class
- 🐾 Student is assigned to an alternative school
- 🐾 Student is assigned out of school suspension (OSS) or In-school suspension (ISS) – temporary during suspension
- 🐾 Withdrawal from current high school
