

Thinking about playing a sport in 2026-2027? IMPORTANT INFO BELOW!

In 2017 Horry County Schools implemented a new electronic registration system for athletics. In previous years, Planet HS or Student Central Big Teams were used for this process. This year we are using a new platform, Arbiter Registration. The online registration must be completed by a parent **and approved by school staff** before the student is permitted to participate. To complete this process, please follow the instructions outlined below.

Please be sure to follow these steps to complete your registration and ensure that your student is registered for athletic participation:

1. **Parents** create an Arbiter Registration account by scanning the QR code or clicking the link below to go to your child's school Arbiter Landing Page. *(you only need one account for your whole family).*
[Sports Physical Registration.](#)
 - **Middle school athletes will have to register for both High School and Middle School.**
 - **You will need to have the Medical History, Physical and Birth Certificate on hand to complete your registration.**

2. After creating your account, an activation link will automatically be sent to your e-mail: use this to finish setting up your account (Note: this email may go into your junk folder).
 - If you are having trouble creating your account, receiving the activation email, or logging in, you may contact support at registration@arbitersports.com or call us at 800-311-4060.
3. Once you have successfully created your account and are logged in, please complete your registration by signing the forms and uploading the physical, medical history, and birth certificate.
4. Once you have completed your registration, you will receive an email notification to let you know we have received your registration.
 - **Students MUST be registered and approved to be eligible for participation.**

**Middle school athletes will have to register for both
High School and Middle School.**

If you have any questions, you may contact the Athletic Director or Athletic Trainer for the school at which you will be participating.

Please note...Per South Carolina High School League rules, pre-participation physicals are valid from April 1, 2026 through the end of the 2026-2027 school year.
