

Richland Northeast High School

Dear athletes and parents:

Thank you for your interest in becoming a member of the Richland Northeast High School Sideline & Competitive Cheerleading Team! We are excited about the upcoming season and your desire to demonstrate your skills, spirit, and dedication in representing our school.

Competitive cheerleading is more than just a sport — it is a commitment to excellence, teamwork, accountability, leadership, and continuous personal growth. Our goal as your coaches is to encourage qualities that will be good for you for life through cheerleading. Your takeaway will be good sportsmanship, responsibility, leadership skills, better time management, respect for others, a good attitude towards education, your peers and coaches and pride in representing the Cavaliers community.

It cannot be stressed enough that cheerleading is a **TEAM** sport. When a cheerleader does not follow through with commitment, it affects the entire squad. The coaching staff asks that you please take the time to review this information packet before committing to trying out. This commitment will demand after school practices 3-4 days a week, off campus training, summer practices, attending and hosting a cheer camp, cheering football season and numerous competitions.

Regardless of the outcome, we encourage all participants to take pride in their courage and commitment to try out for our program. We wish each athlete the very best and thank you for your interest in Richland Northeast Cheerleading.

Cheerfully,

Richland Northeast High School Cheer Coaches
