

SHERMAN ISD ATHLETICS

Sherman Piner Middle School Football Parents,

We're excited to start the 2020 season, and as our first regular-season game approaches, we wanted to share how you can purchase tickets to our **away** Piner football games in Frisco. COVID-19 safety and social-distancing guidelines mandated by the state and the UIL require that attendance remains well below our stadium's capacity. For that reason, ticketing will be handled differently this year so that parents are the top priority for access to the games.

Physical Tickets WILL NOT be sold at the venues. Tickets will only be available for purchase online so we can provide contactless transactions and entry at the game site. You will need to download the free TicketSpicket app on your mobile phone. The app is available in the [Apple Store](#) and [Google Play](#).

A code will be sent by the Piner middle school athletic coordinator to parents/guardians of football team members. This code will give access to purchasing a **maximum of 3 tickets**. We are limiting the number of tickets that can be purchased so that all parents can enjoy watching their child's game.

In order to maximize the number of tickets available to families, if there are multiple games at the stadium on the same night, parents are asked to arrive shortly prior to game time for their student's game and then leave the stadium immediately following the game to allow other families the opportunity to watch their student. This will allow a maximum of 3 tickets per student participant that can be purchased to meet social-distancing requirements. Tickets won't be available for purchase until 48 hours before the game's start time.

Here is some safety information for when you attend a game:

- Masks are required to enter and must be worn while moving around the venue.
- Masks will NOT be provided.
- Social distancing required (at least six feet between family groups).

Frisco ISD is also excited to offer another way to watch football games, as well as other athletic events, this year. Most FISD middle school and high school athletic events will be streamed live at [NFHSNetwork.com](#), which offers live streaming of high school athletics and other school events across the country. Additional information on NFHS Network is provided [here](#).

Thanks for your patience and understanding as we strive to have a great season while emphasizing the safety of our students, staff and community.

Sincerely,

Rich Balderas
Sherman Piner Boys Athletic Coordinator
