RAM ATHLETIC NEWS

Football is currently 1-3 after suffering tough loss to a state ranked opponent on 9/18. They're battling injuries right now but still have enough pieces to get the job done. They are looking forward to a crosstown showdown before headed into the bye week and coming back and finishing our second half of the season. Coach Bryant wants players to remember, "Control what you can control."

Volleyball is off to a strong start! The Rams finished 2nd at the South Oak Cliff Tournament earlier this season, and we are excited to celebrate Sarah Streater, who was named our Raising Cane's Player of the Week! We are now three games into district play and continuing to work hard, compete, and improve each day. The team is building momentum, growing together, and staying focused on our goals for the rest of the season. Go Rams!

Cheer's own, Melina Baur, was named Athlete of the Month for September. We've had fun cheering the football team on from the sidelines and will begin working on our competition performance this week.

Tennis started the Fall season 9/2 at home against MacArthur. The record at this time is 2 & 6 with matches remaining against Plano Sr. and Pearce. Player shoutouts go to senior captain Miles Arredondo who was victorious in the line 1 position against Coppell. Another bright spot for the Rams is freshman, Owen Kennelly, who is playing high level at this time. Berkner Tennis is excited to honor our seniors and Teachers Tuesday, 9/22, before our match with Plano Sr. High. Coach Shovlin says, "I am proud of how this team is competing against some of the best teams in the state; we are capable underdogs!! Look out for the Rams!"
