

FAQ

1	Did anyone take into account parent's work schedule when building this?	Because the athletic period is offered every other day (rolling block schedule), it is impossible for us to have a consistent arrival and pickup time. We were able to line up the daily drop off time for our JV-Var boys and the evening pickup time for our Freshmen. The HS schedule has JV-Var football from 8:45-10:15 on A days and Freshmen football from 2:45-4:15 on B days. Your son could also sign up for the hybrid plus option. They arrive at school and leave at the same time every day. We understand that during our virtual school schedule there could be potential issues with pickup and drop off.
