Online Store Orders Have Arrived

We passed out all of the online orders to the players and managers last week. If anyone is missing something from their order please let me know. Also, if any of the sizes are wrong please bring the item back and we will send it in to get replaced.

High School Pictures 10-28-19

Pictures will be taken on October 28th at 4:15pm for all high school teams. I **have attached an order form** if your daughter would like to order any pictures. You can also order the photos online using this link www.carelyynn.com

We have passed out uniforms to all players. Please have your daughter try on her uniform to make sure that it fits. We did explain to the girls that it may not be a perfect fit but we do want each one of our players to be comfortable during the game with their uniform. All of the shorts have strings that will tie to help keep them up during the game. We also are aware that there are makeup stains on some of the white uniforms. In the past, I have been able to get out some of the makeup with a clorox stain remover pen. If there is a jersey that your daughter feels will not work this season due to a size or stain issue please have them bring the jersey to me on Monday and I will see if I can get a replacement.
