

Parents

I want to thank all of the players, managers, and parents that helped with Leopard Friday. I want to especially thank Julia Dolberry and all of our board members for setting up and running our amazing booth at Leopard Friday! All of our players and managers did a great job of representing our program in a positive way! Our girls made sure all of the future Leopards that came to our booth had a fun time while shooting and winning some candy for making baskets! It was a great night that helped our program show the community that we have a good group of girls that will represent our school the right way this 2019-2020 season!

Please read below for more information on upcoming events.

### **Performance Course September 16 and 18**

PC workouts this week will be on Monday and Wednesday.

This program will be for 1 hour and will serve as an athletic development program for the girls, but will also focus on team building, training education, and showing the girls that training/working out can be fun, when done correctly. Most weeks we will work out on Monday/Wednesday from 4:30-5:30pm.

We will have two coaches there at all times to work with the ladies. We will use the Gymnasium weight room unless unforeseen circumstances arise.

This link will take anyone directly to the registration page, online.

### **High School Parent Meeting 9-23-19**

We will have our parent meeting for all 9th -12th grade players that are interested in playing basketball this season on September 23rd at 6:00pm in the lecture hall. I will be giving information on the tryout process for all of our teams, practice/game/holiday schedules, expectations of parents and players for the season, etc. This will be a very informative meeting. Players do not need to attend. I will also be providing all of the information that we cover in an email following the meeting for parents that are not able to attend.

Our booster club president, Stephanie McFadden, will speak about volunteer opportunities, game day meals, membership, advertisements and spirit wear during our parent meeting meeting. All parents will be able to complete these purchases at the meeting. The booster club is asking for parents to bring cash, check or credit card if interested in any of these opportunities.
