

Parents,

Please help us in remembering Clay Chapman, whose family is part of our basketball program. We are asking all fans to wear blue to our game on Tuesday night. Before the varsity girls game begins, we will have a 22 second moment of silence. Clay played basketball, wore #22 and liked the color blue. The basketball players will wear a blue ribbon in honor of Clay Chapman.

We will recognize our seniors for all the contributions they have made to our program and wish them luck in their future endeavors before the varsity game. After the game, we will continue the celebration with a reception in the cafeteria where we will have cake for all of the high school players and parents. Please make plans to attend and give your support to all of our seniors! I will make a short speech about our senior group during halftime of the JV red game so that the JV Red players and parents can come join us in the cafeteria to recognize the seniors.

All JV Red and Black players will need to turn in their uniforms by next week. They need to put everything in a grocery bag with their name on it. This helps us make sure everything gets turned in. One of the biggest cost of our program is game uniforms. It is very important that we get everything back.

All JV players that are playing a spring sport will transition to that sport starting on Wednesday.

Special Olympics Feb. 21 and 22 Volunteer Opportunity

We are very excited!!! This year's Area 10 Special Olympics Basketball Tournament is on 2/21 & 2/22 in Lovejoy ISD and Allen ISD schools. We are expecting over 110 teams to participate. As you can imagine, it takes lots of referees, score keepers, clock keepers and other volunteers to put on an event this large. If any is interested in refereeing, helping with the clock or scorekeeping, we would appreciate your help.

We have 3 games on Friday night (in 10+ gyms), then play games all day Saturday with shifts of 3 games in the mornings, 3 games after noon and 3-4 more games late afternoon. If you can blow a whistle and know a little bit how to call a game, we can match you with games for your skill level. We can totally train anyone how to keep score and/or run a clock!!!

Just reply to me at jwalsh@bestwayofficesupply.com or at 214-893-5466

On behalf of all of our phenomenal athletes---- THANKS!!!
