Thank you for your interest in athletics at Wagner High School. This is a special time for you as you enter high school and we want you to make the best choice possible as you continue your athletic career. We take pride in working hard on and off the court/field and in building relationships with our student athletes. Academics will come first as our coaching staff understands "you get paid for brains in the real world". With that said, most of the time, the best students go hand in hand with the best athletes. We are excited for your arrival at Wagner HS and look forward to working with you!
