

## HERITAGE HIGH SCHOOL STADIUM EMERGENCY PROTOCOL

1. Call "911". AED is in the red bag either on the sideline or in the training room.
2. Instruct emergency medical services (EMS) personnel to "report to the Heritage High School David Gates Stadium field, field house or indoor workout facility (1322 S. 5<sup>th</sup> street, Rogers, 72756) as we have an injured athlete in need of emergency medical treatment." The emergency gate entrance is at the north end of the stadium, between 5<sup>th</sup> and 6<sup>th</sup> streets which intersect with Olrich street.
3. Provide necessary information to EMS personnel
  - a. Name, address, telephone number of caller
  - b. Number of victims, condition of victims
  - c. First aid treatment initiated
  - d. Specific directions as needed to locate scene (Football field, field house, all purpose building, track, soccer and track field house).
  - e. Other information needed by the dispatcher
4. Provide appropriate emergency care until arrival of EMS personnel: on arrival of EMS personnel, provide pertinent information (method of injury, vital signs, treatment rendered, medical history) and assist with emergency care if needed.
5. Note:
  - a. Sports medicine staff should accompany student-athlete to hospital if event coverage is over
  - b. Parents should be contacted by sports medicine staff
  - c. Inform coaches and administration
  - d. Obtain other medical history and insurance information
  - e. Appropriate injury reports should be completed.
