In your opinion, list the two individuals in our program that care the most about our team and have the most positive impact on the overall general attitude of our team. Describe your reasons for choosing those individuals.

Out of the six, choose two of our program's expectations and explain what those two mean to you. Is there an expectation that you would add that we do not we currently have?

Where do you see yourself in 5 years, in 10 years?

List position(s) that you will be trying out for:
