Invest in our Youth

Our Basketball program is funded by our own fundraising efforts and concession stand profits. With your help in involving the community to support our program allows us to provide for the athletes. Our fundraising events/efforts are outlined below:

- We ask that each athlete provides 4 Cases of bottled Coca-Cola product or Powerade (see your coach for list)
- Sponsorship - Athletes ask 3 business to sponsor & submit the Google Form by November 12th
- Parents/Guardians/Responsible Adult - Sign up for Concession & Gate (working the gate provides us with new basketballs each year)
- Submit 20 emails and 10 numbers for our online fundraiser/shoot a thon.
- Youth Basketball Association (athletes work concession/clock/referee younger age groups)
- Alumni Game!

Reminders
