

Gainesville Red Elephant Volleyball

WE NEED YOUR SUPPORT!!

Dear Friends of the Gainesville High School Volleyball Red Elephants:

On behalf of the Gainesville High School Volleyball Booster Club, I would like to extend an invitation to you, your family, and/or your company to become a sponsor for our 2024 fall season.

The Gainesville Varsity Volleyball Team consists of a competitive, hard working, and passionate group of student-athletes led by six experienced seniors. Our program includes over 50 student-athletes with Varsity, Junior Varsity, and three middle school teams. With all of these young ladies participating in the sport, there are several needs and demands our program has to purchase such as equipment, volleyballs, community involvement, and much more.

These young ladies represent Gainesville High School on and off the court and in the classroom. Not only do these student-athletes participate in a rigorous training and practice schedule for our sport, they also participate in various clubs and a rigorous academic load. Your contribution and continued support to our program will make an impact on their futures far beyond the volleyball court.

If you have any questions concerning our Corporate Sponsorship Program, please do not hesitate to contact us by phone or email.

Thank you for your support of the Gainesville Volleyball program.

With Gratitude,

Rachel Lawley
