

Football Spectator(s) Procedures

Dear Eagle Fans, Families, and Visitors,

First and foremost, we want thank each and every one of you for your support at our JMMS Football Games. We are extremely proud of your attendance at our games and we look forward to helping improve your experience as well as promote a safe and manageable environment for our player, coaches, and spectators. At our football games, we've established procedures as far as where spectators **ARE** and **ARE NOT** allowed to be during the game. We want our loyal supporters to be aware of this so that you can assist in the application of these procedures. There will be school personnel in the non-spectating areas to help enforce these procedures.
