CLEAR BAGS ALLOWED AT 23-24 CMS ATHLETIC EVENTS

August 16, 2023 – Effective for the 2023-24 school year: Fans and visitors are allowed to bring CLEAR BAGS to Collinsville Middle School Gymnasium athletic events. This replaces the previous “No Bag” policy.

Any necessary bags – medically essential bags and diaper bags when accompanying an infant/toddler – do not have to be clear, but are subject to search by school/security personnel.

In addition, this year everyone attending CMS basketball and Volleyball games will be routed through the district’s OPENGATE threat detection system as they enter.

Collinsville Athletics asks for patience from Trail Blazer fans and visitors entering school games. All guidelines and protocols are in place to provide a safe, secure and positive experience for student athletes and spectators attending events at Collinsville Middle School Gymnasium.
