

# Waterloo CUSD #5

## EXTRA-CURRICULAR ACTIVITY TRANSPORTATION WAIVER

Bowling practices are held at West Park Bowl, away from the campus of Waterloo High School. If your student plans to participate in bowling, please complete, sign and submit this form to the school's Athletic Director's office.

I understand that the District has no legal obligation to provide transportation to extra-curricular activities. I also understand that the district does not/will not provide transportation to off-campus practices, unless transportation has been pre-arranged by the coach or sponsor.

\_\_\_\_\_ has my permission to participate in bowling during the \_\_\_\_\_ school year, and I understand that it is my sole responsibility to arrange for my student's transportation to and from practice. I understand that the coach or sponsor may arrange for transportation from time-to-time, but on all other occasions transportation remains my sole responsibility.

I agree for myself and on behalf of my student to waive all liability and to release and hold harmless Waterloo CUSD #5, its School Board members, agents, employees, and volunteers in the event of injury, death, loss or damage to person or property that occurs as a result of my student's transportation to or from bowling practice by transportation other than that provided by Waterloo CUSD #5. In addition, I agree for myself and on behalf of my student, not to assert against the District, its Board members, agents, employees or volunteers, in any court of law, any claim or claims whether known or unknown, that arise as a result of such transportation. I understand that this release and waiver of liability applies to claims caused by Waterloo CUSD #5's own negligence, but not by the willful or wanton misconduct of Waterloo CUSD #5, its Board members, agents, employees or volunteers. I have read and voluntarily signed the release and waiver of liability, and further agree that no oral representations, statements or inducements apart from the foregoing written agreement have been made.
