6. Because of the subjective nature of evaluating achievements of athletes, there will be no specific criteria for selection to the Hall of Fame. The committee is given broad discretion in its selections; however, the major factors to be considered are as follows:

shall be selected. If the vote ends in a tie again, all candidates in the tie shall be inducted, even if the maximum number of candidates to be inducted in that given year has been surpassed. (Should a committee member be nominated, that committee member must abstain from the vote on him/herself. They would still require a 75% tally to be inducted)

- C) The total maximum number of inductees each year shall be five (5). The committee is not obligated to induct the maximum number each year.
- D) **Awards:** An appropriate award shall be presented to each inductee. A photo will be displayed on the Athletic Wall of Fame. Cost of such awards will be assumed by the Athletic Department.

The "active candidate" list will be maintained by the Athletic Director. Thus, candidates who are added to the list each year will be kept for consideration in future years.
