

Sports Medicine Services Offered In Collaboration With Premier Health

Partnering to build a healthier community

Who are your ATs?

- Sam (left) and Camila (right)
- **We strive to keep everyone healthy and safe**
- We can be contacted via ParentSquare
 - Samantha Twining
 - Camila Zamorano
- Available after school hours. Hours will vary depending on the season and teams' schedules*
 - *Due to schedule demands, we might not be present at all events. Availability will be determined based on in-season sports and injury incidence, determined by risk assessment*
- Appointments at different times can be arranged at the discretion of the ATs

Advantages of having ATs at your disposition

- AT services at the school are available at no cost
- Increased safety during sporting events
- Efficient, accessible orthopedic evaluation
- Knowledgeable concussion management
- Expedited, convenient physician scheduling when referrals are necessary
 - Usually within 24-72 hours
- ***We are your medical liaisons and can help you differentiate injuries and the need for further medical evaluations***
