

CENTERVILLE SCHOOLS
2022-23 CO-CURRICULAR PROGRAM
A PAY TO PARTICIPATE PLAN

Students participating in most co-curricular activities during the school year will be participating under a plan called "Pay to Participate."

At a given point designated by the school for each activity, the coach, director, coordinator or official designate will declare the official roster date. Students on the roster will be responsible for the assigned participation fee. Fees are payable as listed below. High school fees may be paid in the Athletic Office, middle and elementary fees may be paid in their school office or parents can pay through their HAC.

No student—if they have the desire to compete or be a part of the activity and follow the defined rules and regulations—shall be denied the opportunity to participate for financial reasons. If a student (family) finds it is financially impossible to participate, the student (family) should complete a financial aid form (Free and Reduced Lunch), which may be obtained from the principal's office or apply online. Go to www.centerville.k12.oh.us. Click on STUDENTS&PARENTS, then Forms and Documents. It is under Meal Applications. The completed financial aid form will be treated with the utmost confidentiality and serve as a request for co-curricular financial aid. Questions regarding the Pay to Participate Plan may be directed to the Building Principal's Office, Athletic Office or Board of Education Office.
