FOREWORD

The rental program of the Centerville City Schools Athletic Facilities is provided as a community service. The intent of Centerville City Schools is to make facilities available to the public when such use does not conflict with the instructional or school related activities of the schools.

The program must be operated within a framework of economically sound business principles. The fee schedule, as contained in this guide, has been established to cover the costs of operations and maintenance so that no funds are taken away from the educational program to subsidize the rental program.

The procedure and guidelines contained herein have been established to administer the rental program for the benefit of all. Your responsibility as a member of the community is to respect and protect the facilities, and to enjoy them as taxpayers and citizens of this community.

PROCEDURES FOR OBTAINING A RENTAL PERMIT

1. Rental information and blank Applications for Facility Permit forms should be picked up from the Athletic Office.
2. The completed contract and a signed Hold Harmless document must be returned to the Athletic Office at least two weeks prior to the rental date.
3. The Athletic Director may sign the contract and forward the Application for Facility Permit to the Business Office or keep on file in the Athletic Office.

CENTERVILLE CITY SCHOOLS ATHLETIC DEPARTMENT FACILITY RENTAL PROGRAM

PLEASE READ CAREFULLY

We encourage all potential renters of school athletic facilities to read this booklet carefully to become familiar with the rules and regulations governing the rental of facilities. Misunderstandings about procedures and questions about unexpected fees might be eliminated with the reading of the booklet.

PERMIT RESPONSIBILITY

The group or organization using the athletic facilities shall hold harmless the members of the Centerville Board of Education and all school employees from any loss and or damage over and above ordinary wear, liability, or expense that may arise during, or be caused in any way by such use or occupancy of school facilities. A hold harmless clause is a part of the signed contract, which must be in place before any event occurs.

The person affixing his or her signature on the contract as the responsible representative of the renting group or organization assumes these risks and liabilities in the name of the group or organization.

The signer assumes that he or she has read and understands all procedures and rules contained in this rental guide, and assumes all responsibility for their enforcement.

The renting organization, through their signer, guarantees the payment of all fees as listed on the contract and/or contained in this booklet to the Centerville City Schools.

USE OF FACILITIES

As a community service, the Centerville City Schools offers certain athletic facilities within the various schools to be utilized by the residents of the Centerville School District, community groups, and local organizations.

PRIORITY

The requirements of the regular school program shall receive primary consideration in the use of the athletic facilities. School-related organizations such as athletic teams, band, Coeds, orchestra, cheerleaders, PTA, PTO, Booster groups, etc., shall have priority over non-school related organizations. Non-school related organizations include, but are not limited to: established organizations (e.g., Scouting groups, church groups not having their own facilities, and charity groups), and outside groups or organizations not sponsored by school district residents, municipalities within the school district, or Board of Education.

School athletic facilities are not for rent to groups or organizations whose main purpose is to make a profit, or for individuals or private businesses conducting programs for profit except for employee in-service, training, or recreation.

FINANCIAL CHARGES FOR USE OF FACILITIES

The Centerville City School's intent is that athletic facilities should be available for community activities at a nominal fee. However, that fee must cover the costs of salaries and overhead. General fund monies are used to provide a quality education for the students of the school district should not be used to subsidize the rental of school facilities.

The Centerville Board of Education has established a fee schedule for the use of School Athletic Facilities. Fees for the use of School Facilities shall be in accordance with this fee schedule or as determined by the Athletic Director.

Centerville City Schools reserves the right to request payment of estimated fees in advance. In all other cases, final payment will be made to the Athletic Office within ten (10) business days after the invoice date.

Notice of cancellation must be received by the Athletic Office five (5) calendar days prior to the rental. A processing fee of twenty percent (20%), plus any costs incurred, will be assessed for a late notice.

In the event that payment for fees, rentals, seminars, etc., is made by check and said check is returned for insufficient funds, closed account, or other similarly related circumstance by the respective financial institution, the Athletic Department will make every reasonable effort to obtain indemnification.

Periodically, the Athletic Director shall evaluate fees for the use of the athletic facilities, and a fee schedule shall be subsequently recommended to the Board of Education. Charges for school personnel shall be based on the appropriate rate of pay for persons in the respective job classification (custodian, security, groundskeeper, event workers, etc.) when extra pay for school employees is required as a result of the use.

In no case will those who have been granted permits assign, transfer, sublet, or charge a fee to others for the use of school property.

The fee structure will be made available as a part of the rental application available in the Athletic Office. The Athletic Director shall have the authority to waive or reduce any fee for any community, city, or school-sponsored group or organization if there are appropriate circumstances, which warrant such consideration.

BUILDING RESPONSIBILITY

The school building contact is the Athletic Director or his or her designee until 6:00 p.m., or until he or she leaves the premises. After 6:00 p.m., the school custodian is the contact for the building. Although the custodian is a public employee and is there to assist and give direction, the custodian is normally assigned to regular housekeeping duties, especially on weekdays. The custodian cannot be expected to service organizations that rent facilities apart from any agreed upon setups.

SAFETY AND LIABILITY

School personnel may require the renting organization to provide parking supervision, fire and police supervision and liability insurance if the district determines the activity or crowd warrants it.

Where insurance is required for facility rentals, the renting organization must provide a public liability policy of not less than \$1,000,000 single limit liability. A certificate of insurance is to be issued to the Centerville Board of Education with the Board named as an additional insured. The certificate of insurance must provide for a 10day cancellation to the Board.

PUBLIC CONDUCT ON DISTRICT PROPERTY

Members of the public are welcome and encouraged to visit school grounds and facilities. However, in order to ensure a safe, orderly environment, all persons on District grounds are expected to abide by applicable laws, local ordinances, Board policies and building regulations.

No person on District property may assault, strike, threaten, menace or use improper, indecent or obscene language toward a volunteer, teacher, instructor, athletic official, other employees of the schools or students, including but not limited to any person engaged in the conduct of school-sponsored business or activities.

No person will disrupt, interfere with the teaching of any class of students or any other activity conducted in a school building or upon the campus or grounds.

Whoever violates the above policy and building regulations will be asked to leave the property by whoever is in charge. Should that person refuse, the police will be called. If the offender should be a student, the person in charge should report the student to the appropriate principal.

SPECIAL SERVICES

Groups requesting custodial, security, grounds keeping or other event personnel services may be charged at the prevailing hourly rate for school personnel.

EQUIPMENT USAGE

Groups requesting the use of technical equipment such as scoreboard or p.a. system must have a trained school technician operating the equipment.

School owned audio-visual equipment may not be used by groups renting facilities unless such equipment is specified in the contract and a qualified person is used to operate the equipment.

RENTAL TIME

The rental rate begins when the building is opened for the renting group as specified in the contract. The fee shall end when all attendees have left the building at the end of the event. No rental will be allowed after 10:00 p.m. without special permission from the Athletic Office. It is important to state accurately the desired rental time and any additional services in the contract request to avoid unnecessary misunderstandings.

GYMNASIUMS

School gymnasiums are rented for large group programs, sport practices and athletic events. The Athletic Director or his or her designee (high school and middle school gyms) and building principal must approve the use of the gym. A request to use the p.a. system or scoreboard must be noted on the rental application. If permission is granted to use the p.a. system and/or scoreboard, a Centerville Board of Education employed technician will be hired to operate the equipment. The renter is responsible for paying for this additional labor cost.

HIGH SCHOOL STADIUMS

The rental of any high school stadium or outside athletic facility must be scheduled through the Athletic Office. The Athletic Director or his official designee must approve the use of these facilities. Stadium rental fees include the use of lavatory facilities and the press box. Concessions are not included as part of the stadium rental.

A request to use the p.a. system or scoreboard must be noted on the rental application. If permission is granted to use the p.a. system and/or scoreboard, a Centerville Board of Education employed technician will be hired to operate the equipment.
