---

## EXEMPTED VILLAGE SCHOOLS

Charlie Barch, CAA, District Athletic Director

The Chagrin Falls Exempted Village Schools has implemented a pay to participate policy for the starting in the Fall of 2020. The fees being charged will help offset costs associated with our interscholastic athletic programs. We recommend everyone pay their fees on Final Forms. If you wish to pay via check to the **Chagrin Falls Athletic Department**, it can be dropped off in the HS Athletic Office or mailed to: Chagrin Falls Athletic Department, 400 E. Washington Street, Chagrin Falls, Ohio 44022. Processed fees will be accounted for through Final Forms.

- HS Student-Athletes fee will be \$100 per sport. MS Student-Athletes fee will be \$75 per sport. There will be a family cap of \$500 per school year. You must notify the athletic department if you believe your family will go over the cap.
- Varsity, Junior varsity, freshman all have the same fee structure.
- There will be a \$30 fee assessed with a check that is returned for non-sufficient funds.
- If someone has a family financial hardship please reach out to the athletic department as the booster club has agreed to help with assistance.
- There will be no refunds except for a player who has a season ending injury and the fee will be prorated. If someone quits or is academically ineligible there will be no refund.
- We expect that the payment will be received before the first contest.
