

COACH CERTIFICATION AND INFORMATION

Certification

These items are required by the state, OHSAA and school board to coach for the Franklin Athletic Department. They must be completed and turned in before beginning coaching duties. If you think you have a completed PAP [please check the state website to ensure your credential is not expired](#). If you have already taken the NFHS Courses you can verify completion by [searching for your completed NFHS courses](#). [See information from ODE on the Process](#).

COPIES OF ALL CERTIFICATES OF COMPLETION SHOULD BE SUBMITTED TO THE ATHLETIC OFFICE.

1. BCI AND FBI BACKGROUND CHECK - (Required for PAP)

Contact Lynn Hetzler at the Franklin Board of Education Office to schedule at 937-746-1699 or lhetzler@frankincityschools.com to schedule an appointment.

BCI/FBI \$55 Cash or Check. Background checks can be done at the Franklin City Schools Central Office (Bring photo ID). I

2. COMPLETION OF NEW HIRE / PAYROLL PAPERWORK

All Applicants will be required to complete and submit a "Blue" form to the Athletic Director, show proof of successful completion of all required coaching classes (Listed below) and return their contract and any payroll documents to Franklin City Schools Central Office.

3. NFHS FUNDAMENTALS OF COACHING COURSE - (Required for PAP)

All applicants are required to take this on-line course as a ONE-TIME fulfillment. Cost is \$65.00 and offered on-line at www.nfhslearn.com. Please print and turn in certificate.

4. NFHS CONCUSSION COURSE - (Required for PAP)

Free on-line at www.nfhslearn.com Please print and turn in your certificate - renewal required every 3 years.

5. CPR TRAINING - (Required for PAP)

A valid CPR certification card must be on file with the athletic office. The Athletic Department trainer will deliver regular CPR class at the high school for \$30. Most certifications are valid for 2 years. This course can also be completed online via the [American Red Cross](#).

6. SUDDEN CARDIAC ARREST TRAINING - (Required for PAP)

Each year, coaches must review the [Ohio Department of Health's](#) Sudden Cardiac Arrest video and related fact sheet. Sudden Cardiac Arrest training must be reviewed annually.

7. FIRST AID AND SAFETY TRAINING - (Required for PAP)

This course can be completed online via www.nfhslearn.com or through an approved in person course. Periodic in-person training sessions are available through Atrium Medical Center / Premier Health Network. There is a fee for the online course. This certification is valid for 3 years. More information regarding the First Aid & Safety Course is outlined under the Pupil Activity Permit Application section below.

PUPIL ACTIVITY PERMIT APPLICATION (PAP)

Make sure you have a OH|ID account. If you are certain you do not have a OH|ID account, set one up [following the instructions here](#).

If you have a OH|ID account but do not remember the user name or password, click on the "Forgot Password" link on the [OH|ID portal](#) to reset your password. Please do not set up a second OH|ID account. If you need assistance, you may contact (877) 644-6338 or Profile.Help@education.ohio.gov.

IRN - Ask your district for its Information Retrieval Number (IRN).

Access your [OH|ID account](#).

Click Educator Licensure and Records (CORE).

Complete the online application from your CORE Dashboard.

See the [CORE User Manual](#) for complete instructions.

Please Note: When applying for the permit and completing the application process you'll be prompted to enter the school district name for the Superintendent signature. You will need to let the Athletic Director know that you have completed the appropriate coursework and provide certificates of

completion for all courses so that the central office & superintendent can approve your application.
