St. Marys Parents, Students and Fans,

We wanted to take this opportunity to review the expectations of behavior and the established seating arrangements for our elementary students, middle school and high school students during the home boy's basketball games. We're looking forward to a great winter season. We appreciate your continued support of our athletes and cheering them on here at Grand Lake Health System Court.

All students are expected to stay in their seats during the game and should only be out of their seats during halftime and between games. Students are not allowed to "play" in the hallway, commons, restrooms or in the MS Gym at any time during the game. Students are asked to not run up and down the aisle and seats during the game. This is for the safety of the students and fans.

- High School students are assigned to the Student Section (The Horseshoe, south end bleachers)
- Middle School (6-8) students are assigned to the South end of the Home bleachers.
- Students K-5 are asked to sit with their parents during the game.

We continue to ask that you do not bring any outside food or drinks (Coffee/Pop) into the gym; as well as Yeti's, Stanley's and any other insulated cup.

We look forward to the 2026-2027 Roughrider Basketball season and cheering on the Riders!!

Sincerely,
Jim Hollman
SM Athletic Director
